"Hold on Tight to your Dreams" was the theme for the 1981 homecoming. The days and costume winners were: Monday—Bernie Miller Day won by Melisa Flaten; Tuesday—Dress Up Day won by Ann Grell; Wednesday—Western Day won by K'Ann Morris; Thursday—Career Day won by Linda Clark; and Friday—Gold and Blue Day won by Melissa Loe. The overall winner for the best costumes all week was Buff Barker. The week's activities included a Powder Puff game Wednesday night, a chili supper sponsored by the Booster Club on Thursday followed by a bonfire and pep rally. The highlight of the week was the football game Friday night with the Corwith-Wesley Vikings, and as always, the Cadillac of Vikings prevailed. After the game was a victory dance.

Graduation

At last! The long-awaited-for big event finally came! The Baccalaureate began at 7:00 p.m. in the Ventura High School Gym. The traditional processional "Pomp and Circumstance" was played while the 1982 Graduates entered through the back of the gym and walked down the center aisle and then went to their seats on the stage. The Senior Girls sang "The Way We Were." Commencement followed with a speaker, announcements of awards, the song "Movin' On" sung by the High School Chorus, and finally Mr. Martin awarding the Diplomas.

Reverend Les Gyllstrom, from the Galilean Lutheran Church in Clear Lake, read the Invocation, Scripture and Sermon, and the Benediction.

Mr. Ron Brinkman, a local businessman and father of senior Kim Brinkman, was the speaker and his topic was "Different Outlooks."

May 15, 1982

Graduation was listening to the various messages, making last-minute touches while lining up, receiving diplomas, shaking hands with the School Board members, and receiving congratulations from the faculty.

Girls JV Basketball

The Girl's J-V Basketball was well-coached by Carol Peterson. This year they had stiff competition from some very good schools such as North Central, Garner-Hayfield, Corwith-Wesley, Cal and Klemme.

The games were exciting and fun to watch. Some of the players to watch next season are Jill Lorenzen, Maureen McNulty, Dawn Smith and Roxy Overgaard.

Keep up the good work, girls!

Junior Maureen McNulty (at right) was elected as President of Student Senate for the 1981-82 School Year by the entire student body. Student Senate members elected Rita Hiscocks as Vice-President and Kurt Schichtl as Secretary-Treasurer. These officers traveled to NIACC in the fall for a Student Senate Workshop and returned with many ideas for the year.

Student Senate activities for the year included sponsoring the Homecoming Dance and student candy bar sales to raise money for the Activity Fund, Student Senate Fund and individual class funds. Top salespersons were Rita Hiscocks for the High School and Dennis Henely for the Junior High. Each received a stereo cassette player for their efforts.

In the fall, the Marching Band participated in State Marching Band Contest in Webster City. This was the first time the Viking Band participated in the competition for three years. On a scale from I to V, the band received a III, an average rating. In the future, the band will make sure that Todd remembers his drum straps and Monica packs her clarinet! Under the direction of new instrumental instructor Pat Cahoy, band members found out the real meaning of practice as they spent COLD, WET mornings on the football field and first mod picking wet grass out of their shoes!

Row Four (L): Director Pat Cahoy, Peter Oulman, Ann Grell, Lisa Boehnke, Todd Hepperly, and Angie Humphrey.

State Large Group Music Contest was a disappointment for the Concert Band this year. Director Pat Cahoy chose "A Festival Prelude" and "Salvation is Created," both difficult selections, as contest pieces. The band received two Division IV ratings and one Division III rating from the three judges at the contest held in Sheffield.

The Jazz Band was a new addition to the annual Pop's Concert. Their two selections "ABC Boogie" and "Hey Jude" were included in the fifties and sixties sections of the concert. With the success of this year's Jazz Band, the group will continue to perform for many years to come.

The 1981-82 Ventura Concert Choir had a tight schedule to keep. Our Second Annual Supper Show came early in the year for us. It took a lot of hard work but the show was a success and crowd-pleaser as well. Winter came and along with it our Christmas Concert. Some of our songs included "Caroling, Caroling," "Have Yourself a Merry Little Christmas," and "Antiphonal Praise." Our Pops Concert was delayed this year due to snow. But on March 5th, all of our "Beautiful Music" was ready and as usual the concert was a great success. With the delay of the Pops Concert, our Spring Concert was upon us all too soon with Large Group Contest quick to follow. The songs we sang for each were the same: "Elijah Rock," "Adoramusle," and "At the River." The night of the concert was a busy one with our Fine Arts Banquet preceding the concert. The performance came off with our usual finesse. We came home from Large Group Contest at Sheffield-Chapin with a III rating. We wound up this year's vocal activities with the last day of class being our Year's End Party.

Sound Inc. is a small group of female vocalists who have undertaken the challenge of making it to three early rehearsals a week and learning many different songs and often very intricate and tricky choreography. The routines are made by our own members. Most of our performances were at the same concerts as the choir including the Fall Supper Show, the Christmas Concert, and our Pops Concert. We had additional performances including singing for the P.U.R.E. Convention at the Fort Des Moines Hotel in Des Moines, the SES State Convention at Ames, and at Oakwood Manor and the Heritage Nursing Homes during National Nursing Homes Week in May. We really appreciate the talent of Peter Oulman, our drummer, and thank him for adding the special touch of drums that made some of our songs complete. The year was full of hard work, but the work was all worthwhile when we would see the smiles on all the faces in the audience.

"The 1981 Junior High Football season was a very successful one. We completed the season undefeated and a 4-0-1 record. Our toughest opponent of the year was against a very good and much larger team from Garner, and the score ended up a tie at 6-6.

"I was extremely proud of these young Vikings as they were a very enjoyable group to work with. They constantly worked hard and were willing to give that little extra to become the best possible football players they could be."—

Goodbyes
are sad things.
You leave behind
dreams,
friends,
security;
Knowing they'll never
be the same again.
Now we say hello
to things that are
new and better.
Yet we spend much time
wondering,
learning,
and sometimes,
remembering.
